THREE GREAT PLAYS, PERFECT FOR STUDENTS:

THE ADMIRABLE CRICHTON

BY J.M. BARRIE
JUNE 22 TO OCTOBER 29

Once a month, Lord Loam invites his servants to tea and treats them as equals. His perfect butler, Crichton, has to play along but simply cannot agree. This aristocrat has his theories put to the test when he and his family take a yacht trip and are left shipwrecked on a desert island. Thankfully, Crichton knows what to do, and soon the servant becomes the master. But if they ever return home, who will be in charge? A comic fantasy from the author of *PETER PAN*. Study guide available. • Grades 4+

CAT ON A HOT TIN ROOF

BY TENNESSEE WILLIAMS
MAY 3 TO OCTOBER 23

A family gathers to celebrate Big Daddy's birthday and toast his good health and recovery. But in this Pulitzer Prize-winning play, nothing is exactly as it seems. Simmering just below the surface are many unanswered questions about loyalty, truth and faithfulness, and tonight Maggie the Cat is determined to bring it all to a boil. • Grades 11+
